Thanks, Rebecca. I agree, we should wait until Kimberly/Neil approve before we edit RDs document.

Hey everyone,

I'm done. Monisha is in there now b/c I copied her on a comment. Do you all think that it is okay to let Hope know that we are done? I'm not sure when Monisha will finish. There are some minor changes to the benefits that I need to make to the decision document in RD. Should I wait to do that when Kimberly/Neil are done with our memo before making changes anywhere else?

Thanks y'all – I've made the edits that I thought were needed and I'm done in the document, unless you see something that needs my attention.

Thanks, Lindsey!

I needed help with the econ numbers so was talking it over with econ folks. I *should* be on track to finish by 10:30. Will reply all here to confirm.

Hey, just a heads up that I've finished updating and am ready to send back to BCs when you are ready. I'm also happy to send back to them, if that's helpful. Just let me know. Also, is there anything I can do to help you all?
